

RIGGINS CITY COUNCIL
SPECIAL MEETING
January 9, 2023 – 5:30 p.m.
Riggins City Hall

Council Chairperson, Roy Akins, called this special meeting to order. Mayor McClure will be arriving later.

Council present: Jonny Wilson, Bill Sampson and Brady Clay.

The purpose of this Special Meeting is to review Water Ordinance #205.

Website: the way the City website is configured, it's confusing with many duplicate ordinances and repealed ordinances showing. All ordinances need to be reviewed with improved organization of ordinances. Councilor Wilson posed the question, "what are the goals and objectives in revising ordinances?"

There is redundancy and inconsistency in the ordinances. Need to review and repeal the outdated ordinances.

Mayor McClure arrived at 6 p.m.

WATER ORDINANCE #205:

Rules and regulations should be Exhibit C.

Current Rate Schedule - add utility Finance Charge. Create a Rate Schedule with ALL FEES (library, copies, ambulance subscription, finance charges, etc., etc.). In the corresponding ordinance, it should be noted that fees may be changed by Resolution wherever the fee is mentioned.

Outdated ordinances need to be reviewed by the Council and considered for rescinding.

There being no further business, the meeting was adjourned at 9:10 p.m.

Respectfully Submitted,

Brenda Tilley, City Clerk-Treasurer
