

RIGGINS CITY COUNCIL
SPECIAL MEETING
March 20, 2023 – 5:30 p.m.
Riggins City Hall

Mayor McClure called this special meeting to order. The purpose of this meeting is to review and make a decision on the RFQ submissions for the Ace's Place project, and to hold a work meeting on the Water Ordinance revision.

Roll Call – Akins, Sampson, Clay and Wilson.

Staff: Dan Wash

REQUEST FOR QUALIFICATIONS – ACE'S PLACE: Council reviewed the two submissions from engineering firms Keller Associates and TD&H Engineering. Dan provided his recommendation and insight. The project will involve providing assistance with grant funding; replacing waterlines to the school and residences; determine the feasibility of a looped water distribution system; determine the need for additional fire hydrants; replace an existing ditch culvert that crosses under Ace's Place street; replace existing sidewalks to comply with ADA requirements; address storm water drainage issues, and paving upon completion. After discussion, a motion was made by Sampson to approve Keller Associates for the Ace's Place project; motion was seconded by Akins. Voting yea, Akins, Clay, Sampson and Wilson. No nays; motion carried.

At this time, the WATER ORDINANCE REVISION process continued.

There being no further business, the meeting was adjourned at 7:15 p.m.

Respectfully Submitted,

Brenda Tilley
City Clerk-Treasurer
