City Hall Closed

Saturday, March 19th
First Responders Bash

COMPLAINTS ABOUT DOGS...

City Hall staff have received a number of complaints from residents who are dealing with neighbor dogs pooping in their yard. Please be a good neighbor and pick up after your dog! Do your part to make Riggins and enjoyable place to live and visit.

Also, be aware the City does have a Leash Law that prohibits dogs from running at large (off leash) in City limits.

So if you're a dog owner, please be a responsible one... it's the right thing to do!

CITY NEWS

FEBRUARY 2022

MESSAGE FROM THE MAYOR

"Last month our City Council, staff and I gathered to celebrate our retired Riggins Ambulance Director, Janeen Eggebrecht. Janeen has served the City of Riggins and the Salmon River canyon as an EMT for over 30 years. Her dedication to providing care and saving lives is beyond compare. A number of Janeen's friends also joined in to celebrate her retirement. Janeen plans on taking a few months off from calls, but hopes to get back on the schedule later in the summer."

Numerous community groups are planning special events for our 2022 season. Please make sure you submit Park and Facility Use Applications to City Hall well in advance of your event; the City Council does review these in an effort to make sure all City ordinances are followed."

or from a First Responder.*

RIGGINS AMBULANCE

Wow, what a year it's been for Riggins Ambulance!
We have so much to be thankful for. 🎉

We responded to 81 more calls in 2021 than we did
in 2020. Twenty-four of those calls were vehicle
accident related. Thankful our Rescue Service is
available for our Canyon.

We introduced our beautiful 2021 Ford F-350
Demers Ambulance to the Salmon River Canyon.
This vehicle has been amazing and we are so
thankful to have received the grant funding. 🚑
We added a Zoll EKG 12 Lead Cardiac Monitor to
our service. We have used this machine multiple
times this year to transmit heart activity to the
hospital for review. The ZOLL has made a big
difference the short time we've had it in service. We
are thankful it's here to aid in faster treatment of
cardiac emergencies.

We applied for a grant to purchase a Stryker
PowerLoad System for loading and unloading our
gurney into the ambulance. No more heavy lifting
and way safer for the patient and provider.
We added a much larger scope of practice for all of
our EMTs. They can all start and maintain IV
Infusions, insert Advanced Airways, and administer
more medications in the time of need.
We have so many more exciting things to share with
the community in 2022. The community support this
Canyon shows is outstanding... "We are Thankful!"
Happy New Year from our Crew!

Crew Members:

Jeff Joyce (D)
Joshua Banez (EMT)
Mike Woodfin (EMT)
Gary Haueter (D)
Janeen Eggebrecht (EMT)
John Stewart (D)
Fred Taylor (EMT)
Elly Elder (EMT)
